Kids of Mud (KOM) is the official youth cycling program of the Manitoba Cycling Association (MCA) administered by a group of participating clubs.

KOM is a learn-to-ride and learn-to-race program for kids 18 and younger covering the Fundamentals, Learn to Train and Train to Train stages of the Long Term Athlete Development pathway. Through the help of certified coaches and other volunteers, riders will learn the basics of off-road cycling with an opportunity to challenge their skill and fitness in any of the MCA mountain bike races open to age category racers.

Kids wishing to ride must have a helmet (it must be an approved cycling-specific helmet), a mountain bike with hand brakes and gears, and able to ride their bike without training wheels.

Training with Kids of Mud includes safety, braking, gears, hills, racing (optional), riding over small and large obstacles, trail riding & trail etiquette, and more. Snacks included with sessions.

The Kids of Mud training program is run by volunteer, NCCP-certified coaches in clubs in Winnipeg, Portage, Steinbach, Pinawa, Pine Falls, Stonewall, Dauphin, Russell, Minnedosa, Swan River & MoDoonary.
