----- October, 2017 -----

Thank you so much to everyone who supported our Supper in the Field sportsgrounds fundraiser! Together we fed 75 people, and were able to raise over a thousand dollars to go towards improving the ball diamonds at the Agriculture Grounds. A huge thank you to those that organized, donated towards, and purchased meals. You have all helped to make this fundraiser a success!

## McCreary Minor Hockey News

McCreary Minor Hockey is a great alternative for parents looking for something for kids to do. Teams typically practice on Tuesdays and Thursdays, and games are usually on the weekends. For the Initiation level there are only a few games per season so it's a great age for parents and kids to get their feet wet without making a huge commitment. Our fees are very reasonable, but there are also programs in place for financial assistance, so if your child wants to play hockey, we can make it happen!

For more information on our Minor Hockey Program, please call Nancy at the McCreary Recreation Commission Office at 204-835-2673.
